

# THE BUZZzzzzzzzz IN THE HIVE

## October 2018

### PRINCIPAL'S MESSAGE

Well our first month back at school is already behind us – time has flown by so far. We have had a great start up and I want to thank the community for the warm welcome I have received since joining the Storrington team. It was great to see so many people out at our Open House and Corn Roast. The weather cleared up, the food was great, and the sense of community was awesome. We are settling into our school routines quite well and I am excited about the learning that I see students involved in every day. Ask your child each night to tell you about at least one thing they learned at school today or something they were involved in – and don't let them off the hook. We have high expectations for our students and we know you want the best possible outcomes for your children.

Yours in education,  
John Mooney, Principal

### **SAFE SCHOOL PROGRAM**

The safety of your child is a number one concern for us. In order to assist us in keeping your child safe, we would appreciate it if you could call the school before 9:00 am if your child is going to be late or absent that day. If you know about appointments ahead of time, please send a note to inform the teachers, **as well as inform the office.** If we have not received a note or a call regarding absences, Ms. MacGregor will call home to ensure that your child is safe.

### **PEANUT AND SAFE SCENT SCHOOL**

A reminder that Storrington Public School is a "Peanut and Scent Safe School". For the safety of our students and staff, we ask that families refrain from sending nut-based products to school and from wearing scented products while in the building.

### **BUS LOADING ZONE**

Families are reminded to please not park in the bus loading zone in the morning to drop off students. The space is reserved for our buses dropping off children. The same practice in the afternoon, would be greatly appreciated.

### **CPIC's**

Should you wish to attend a field trip with your child, a current CPIC must be on file at SPS. Please check with Ms. MacGregor that we have a valid CPIC on file.

### **FIRE PREVENTION WEEK, October 9-12**
